The Court delivered the following -

-
ORDER:

-
This writ petition is filed by the petitioners, aggrieved by the action of the respondents in not regularising their services from the date of their initial appointment i.e., 3.1.1984, and 29.4.1983 respectively.

Both the petitioners claimed that they were appointed in the respondent-Corporation after thorough examination, and therefore, they are seeking regularisation of their services from the date of their initial appointments. But the petitioners filed

only a copy of the appointment order of the 1st petitioner whereby their services are regularised. But, with reference to the 2nd petitioner no proceedings are placed. Therefore, the facts cannot be examined with reference to the 2nd petitioner.

With reference to the 1st petitioner, as per the facts available in the proceedings, dated 31.1.1987 as well as 17.3.1987, it is clear that the 1st petitioner though was appointed on 3.1.1984, his services were discontinued from 1.7.1984 and later he was engaged on 16.8.1984 and his services were regularised as a Grade-II Driver w.e.f. 17.9.1985. The proceedings also clearly show that the petitioner was not holding a substantive post, but only holding an officiating post temporarily. Therefore, he is not entitled for counting of his services from any date earlier to the date of regularisation, as per the proceedings dated 17.3.1987. Therefore, the 1st petitioner not entitled for any relief.

Since the 2nd petitioner did not file any proceedings showing the particulars of his service, he is also not entitled to any relief, as claimed.

Accordingly, the Writ Petition is dismissed. No costs.
